Dear Mr. Triozzi:

Under the Ohio Open Records Law, §149.43 et seq., we are requesting electronic copies of Drug Enforcement Administration ARCOS data furnished to the County of Cuyahoga, Ohio, in the case: County of Cuyahoga, Ohio, V. Purdue Pharma, #17-OP-45004. The data was transferred to the county by the Judicial Panel in Multidistrict Litigation Re: National Prescription Opiate Litigation, #17-md-2804 in the Northern District of Ohio. We are requesting that this data be provided to The Washington Post in electronic format.

We are making this request on behalf of The Washington Post, a news organization based in Washington, D.C. The records disclosed will be used in the preparation of news articles for dissemination to the public. For purposes of fee assessments, we request that you waive all fees in the public interest because the information will contribute to public understanding of the opioid epidemic. If you decline to waive all fees, we are prepared to pay your normal fees for news media requesters. Please notify us if you expect the processing fees to exceed \$100.
