# ORDERS OF SPECIAL DISCOVERY MASTER ON APRIL 19th 2018 MOTION REQUESTS

On April 19, 2018, the above and entitled matter was heard before the undersigned on the parties' various motions, objections and requests for relief. The undersigned Special Discovery Master having reviewed the pleadings, heard oral arguments and being fully advised in the premises finds as follows:

Purdue's Motion To Compel Production Of Documents

Purdue seeks to compel production of documents responsive to RFPs requested in its first set of requests for production. Purdue Pharma L.P. seeks production of documents numbered two, four, six, seven, eight, and nine. Purdue Fredrick Co. seeks production of documents responsive to requests number one, five, six and seven. Plaintiff, State of Oklahoma, ex. rel. Attorney General of Oklahoma (State) has filed its objection thereto and request to strike as moot.

A. State's objection and motion to strike as moot is **overruled**. Specific finding is made that under the claims made in this petition, details of medical necessity and reimbursable claims under the Oklahoma Medicaid system, State's claims review and reimbursement process and the identity of State personnel with knowledge about efforts to prevent opioid abuse and diversion are all relevant or potentially relevant areas of inquiry in this case. State argues the only documents that will be withheld or objected to are privileged and confidential information. Therefore, both Purdue Pharma L.P. and Purdue Frederick Company's motion to compel are **sustained** to be produced as soon as practically possible under the agreed "rolling production" process. The undersigned acknowledges State's argument that its objections have been withdrawn. Nevertheless, production is **ordered** consistent with findings made herein:

# Purdue Pharma L.P.

- 1. RFP No. 2 State's objection withdrawn during meet and confer, motion to compel sustained;
- 2. RFP No. 4 State's objection withdrawn during meet and confer, motion to compel sustained;
- 3. RFP No. 6 State's objection withdrawn during meet and confer, motion to compel sustained;
- 4. RFP No. 7 State's objection withdrawn during meet and confer, motion to compel sustained;
- 5. RFP No. 8 State's objection withdrawn during meet and confer, motion to compel **sustained**;
- 6. RFP No. 9 State's objection withdrawn during meet and confer, motion to compel sustained.

## Purdue Frederick Co.

- 1. RFP No. 1 State's objection withdrawn during meet and confer, motion to compel sustained;
- 2. RFP No. 5 State's objection withdrawn during meet and confer, motion to compel sustained;
- 3. RFP No. 6 State's objection withdrawn during meet and confer, motion to compel sustained;
- 4. RFP No. 7 State's objection withdrawn during meet and confer, motion to compel sustained.

# State's Second Motion To Compel

State has served notice for corporate designee depositions as described in exhibits one through six of State's motion:

- 1. The open letter published by or on behalf of the Purdue Defendants in the New York Times on Thursday, December 14, 2017, entitled, "We manufacture prescription opioids. How could we not help fight the prescription and illicit opioid abuse crisis?" ("Open letter"), including but not limited to all actions taken by Purdue Defendants in support of the recommendations and initiatives identified in the Open Letter, and the reasons the Open Letter was written and published.
- 2. The Purdue Defendants' decision to discontinue marketing or promoting opioids to prescribers.
- 3. The J&J Defendants' past and present relationship with Tasmanian Alkaloids, the corporate structure and management of Tasmanian Alkaloids during its affiliation with any J&J Defendants, and the terms of any asset purchase agreement, acquisition agreement, and/or purchase and sale agreement by and between any J&J Defendants and Tasmanian Alkaloids, including terms related to the assumption of liability.
- 4.-6. All actions available or necessary to address, fight, update and/or reverse the opioid epidemic. (One Notice For Each Defendant Group)

To these notices, the three Defendant groups have filed requests for protective orders and to quash the deposition notices, to which State has responded. The following Orders are entered with regard thereto:

## 1. Open Letter (Purdue)

State has described with reasonable particularity two areas of inquiry with regard to this "Open Letter": 1. All actions taken by the Purdue Defendants in support of the recommendations and initiatives identified in the Open Letter; 2. The reasons the Open Letter was written and published. State shall be limited to these two areas of inquiry to include any follow-up inquiry that may become reasonably necessary to identify the exact actions taken, who took them, when and where. To this extent, State's motion to compel is **sustained** and Defendants' opposition thereto and request to quash the notice is **overruled**.

# 2. <u>Purdue Defendants'decision to discontinue marketing or promoting opioids to prescribers.</u>

State's motion to compel is **sustained** and Defendants' request to quash the notice on this topic is **overruled** as a fact witness could produce likely relevant evidence as it relates to decisions to discontinue marketing and promoting opioids.

## 3. J&J Defendants/Tasmanian Alkaloids

Finding is entered that State has pled with reasonable particularity the relationship between J&J Defendants and Tasmanian Alkaloids (Not a party to this litigation) during a portion of the relevant time period in this litigation. As a former subsidiary of Johnson & Johnson, Tasmanian Alkaloids manufactured the poppy-based opiate ingredient used in many of the United States marketed and distributed opioids. The J&J Defendants had a direct financial interest in the sale of the opioid products generally, not just limited to their own branded opioids. That places J&J Defendants in a position of having a financial interest in opioids generally and possible motive relevant to issues raised in this case.

State's motion to compel is **sustained** and Defendants' request to quash the notice on this topic is **overruled**.

#### 4-6. Abatement Actions

State gives notice to each Defendant group to depose a corporate designee regarding fact testimony similar to the line of inquiry requested of Purdue Defendants in item notice No. 1. The added fact with regard to Purdue Defendants' being the "Open Letter". These notices are necessarily limited to fact testimony and as argument indicated, cannot include opinion testimony that seeks to elicit a legal opinion on a primary issue a finder of fact may have to determine and that is an action plan, factually and legally, fashioned to abate the opioid crisis. Certain Defendants through negotiations in other cases have agreed to disclose factual efforts that are currently under way and actions planned and expected to take place in the future to seek to abate the opioid crisis. Settlement negotiations are privileged, and there is a strong public policy disfavoring intrusion into confidential and privileged settlement discussions. 12 O.S. § 2408; Fed. R. Evid. 408; Goodyear Tire & Rubber Co. v. Chiles Power Supply, Inc., 332 F.3d 976, 980 (6<sup>th</sup> Cir. 2003), Further, expert witnesses do not have to be determined and disclosed until the deadline of September 14, 2018, with expert depositions to be completed by January 25, 2019.

Therefore, each Defendant groups' request for a Protective Order and to Quash the notice as drafted is **sustained** and should State so desire, new deposition notices to issue to fact witnesses to be designated by each Defendant group for inquiry by State into factual efforts that are currently under way and actions planned and expected to take place in the future which seek to address, fight or abate the opioid crisis.

# April 4, 2018 Order of Special Discovery Master On State's First Motion to Compel.

Defendant groups have filed objections to and requests to strike or modify the above referred-to discovery order. Argument was heard and considered at the April 19, 2008 hearing and the following orders are entered:

1. Review of the record indicates State did not move to compel RFP No. 17 and objections to and requests to strike any findings made by the undersigned with regard to RFP No. 17 are **sustained**. Further, the undersigned recognizes that certain Defendants have already produced and there are agreements for future production relevant to the RFPs in question. Any rulings, orders or modifications to previous orders with regard RFPs take into consideration this reality and the ongoing "rolling production" process. Nothing in the undersigned's orders here-in are meant to require duplication of production.

- A. With regard to findings made numbered "1" through "7" of the April 4<sup>th</sup> Order, the following findings are entered:
  - 1. Regarding finding numbered "3", the finding the likely relevant time period for Purdue defendants is from the original OxyContin release date of May 1, 1996 to present is amended in part to specific findings that will be made below as to each State requested RFP and Purdue Defendants' request to modify is **sustained** to that extent.
  - 2. The balance of the findings made numbered "1" through "7" of the April 4th Order remain unchanged and any Defendant requests to modify or strike are **overruled**.

## B. Requests For Production, State's First Motion To Compel

RFP No. 1 – Defendants' various motions to strike or modify are **overruled** subject to the previous ruling that Defendants must specifically identify any category of documents from other cases they intend to withhold as non-public or confidential governmental investigations or regulatory actions;

RFP No. 2 – Defendants' various motions to strike or modify are **overruled** subject to the previous ruling that Defendants must specifically identify any category of documents from other cases they intend to withhold as non-public or confidential governmental investigations or regulatory actions;

RFP No. 3 – This RFP in conjunction with RFP 4 and in part 5 seek discovery of sales, training and marketing materials that did help define the pharmaceutical industry's approach to sales, relevant to the claims made in this case. Regarding document discovery concerning sales, training and education materials for opioid sales representatives, the relevant time period is found to be from May 1, 1996, the commencement of the marketing of the original OxyContin as it relates to Purdue, and the known marketing start dates for the balance of the Defendant groups. Such production as to Purdue may be restricted to materials in Purdues' possession, possession of its current employees, and its third-party sales representatives under promotional contracts on and after 1996 and relevant to branded or unbranded advertisements and/or marketing materials. Therefore, Defendants' various motions to strike or modify are **sustained** in part and **overruled** in part;

- RFP No. 4 Purdue is **ordered** to produce training and education materials provided to medical liaisons, retained or funded by You concerning medical liaisons with health care professionals, KOLs, and front groups regarding opioids and/or pain treatment for branded and unbranded materials beginning in 2004 and thereafter. Other Defendants are so **ordered** beginning with their relevant marketing time period. Therefore, Defendant groups' various motions to strike or modify are **sustained** in part and **overruled** in part;
- RFP No. 5 Defendants are **ordered** to produce related communications relevant to RFP 4, 5, 7 and 9 currently in their possession, Purdue beginning in 2004 and thereafter and other Defendants' beginning with the relevant marketing time period. Therefore, Defendant groups' various motions to strike or modify are **sustained** in part and **overruled** in part;
- RFP No. 6 Defendant groups' motions to strike or modify are **sustained** in part and **overruled** in part, in that production shall be **ordered** of all branded or un-branded advertisements and/or marketing materials published by You concerning opioids, including, without limitation all videos, pamphlets, brochures, presentations and treatment guidelines. Purdue beginning in 2004 and thereafter and other Defendants' beginning with the relevant marketing time period. Drafts of such materials are **not ordered** located or produced;
- RFP No. 7 Defendant groups' motions to strike is **sustained** as this RFP is now included in Orders entered in RFPs 3, 4, 5 and 6;
- RFP No. 8 Defendant groups' motions to strike is **sustained** as this RFP is now included in Orders entered in RFPs 3, 4, 5 and 6;
- RFP No. 9 Defendant groups' motions to strike is **sustained** as this RFP is now included in Orders entered in RFPs 3, 4, 5 and 6;
- RFP No. 10,11 Defendant groups' motion to strike or modify is **sustained** in part and **overruled** in part as to RFP 10 and 11. Defendant groups are **ordered** to produce documentation reflecting amount spent by You on advertising and marketing related to branded or unbranded opioid advertising, and to KOLs and other Front Groups, Purdue beginning in 2004 and thereafter and other Defendant groups beginning with the relevant marketing date;

RFP No. 12 – Defendant groups' motion to strike or modify is **sustained** in part in that Defendant groups are ordered to produce all organizational charts identifying your employees involved in (1) the sale, promotion marketing and advertising of your opioids, Purdue since May 1, 1996 and other Defendant groups since the relevant marketing date; and (2) communication with Healthcare Professionals, KOLs and Front Groups regarding opioids, including OxyContin and pain treatment, Purdue beginning in 2004 and other Defendant groups beginning with the relevant marketing date;

RFP No. 13 – Defendant groups' motion to modify or strike is **sustained** in part and **overruled** in part in that a search for all communications between you and trade groups, trade associations, nonprofit organizations and/or other third-party organizations concerning opioids and/or pain treatment since 1996 is overly burdensome on Purdue and likely impossible to comply with. Production of communications from Purdue relevant to this RFP and currently in the possession of Purdue is **ordered** produced from and since 2006. As to other Defendant groups, such communications in their possession are **ordered** produced beginning with the relevant marketing date;

RFP No. 14 – Regarding communications between you and other opioid manufacturers, distributors, wholesalers, pharmacies and/or BPMs as described in this RFP and RFP 15, communications may be relevant to State's conspiracy allegations. Defendant groups' motion to modify or strike is **sustained** in part and **overruled** in part in that a search for all communications referred to in RFP 14 and 15 since 1996 is overly burdensome. Production of communications as described in RFP 14 and 15 and currently in the possession of Purdue is **ordered** produced from and after 2004. As to other Defendant groups, such communications in their possession are ordered produced beginning with the relevant marketing date;

RFP No. 16 – Defendant group's motion to modify or strike is **overruled**;

RFP No. 18 – Defendant groups' motions to strike is **sustained** as this RFP is now included in Orders entered in RFPs 4, 5, 10 and 12;

RFP No. 19 – Defendants' motion to strike or modify the undersigned's April 4, 2018 Order is **overruled**;

RFP No. 20 – Purdue has now produced or agreed to produce documents concerning the concept of "pseudoaddiction" or "pseudo-addiction". Purdue has also agreed to identify custodians of responsive communications and search for documents to produce, relevant to "pseudoaddiction" or "pseudoaddiction". Therefore, Defendants' request to strike or modify is **sustained** subject to State producing future evidence sufficient to demonstrate failure to produce or to expand the scope of this RFP;

RFP No. 21 – Defendants' motion to strike or modify the undersigned's April 4, 2018 Order is **overruled**;

RFP No. 22 – Defendants' motion to strike or modify the undersigned's April 4, 2018 Order is **overruled**;

RFP No. 23 – Defendants' motion to strike or modify the undersigned's April 4, 2018 Order is **overruled**;

RFP No. 24 – This RFP does seek production of virtually every document and communication generated by potentially hundreds of individuals in Purdues' and other Defendants' departments responsible for scientific research, studies, journal articles, and/or clinical trials regarding opioids and/or pain treatment, including all drafts. This request is found to be overly broad and burdensome. Therefore, Defendants' motion to strike or modify this RFP is **sustained** and the April 4, 2018 ruling is **ordered** stricken and State's request to compel is **denied** in this RFP's current form;

RFP No. 25 – Defendants' motion to strike or modify the undersigned's April 4, 2018 Order is **overruled**;

RFP No. 26 – Defendants' motion to strike or modify the undersigned's April 4, 2018 Order is **overruled**;

RFP No. 27 – Defendants' motion to strike or modify the undersigned's April 4, 2018 Order is **overruled**;

RFP No. 28 - Defendants' motion to strike or modify the undersigned's April 4, 2018 Order is **overruled**.
